CONFERENCE**

WHAT IS MEPhI? IN THE BEGINNING

Founders of MEPhI — Nobel Prize laureates

I.E. Tamm

I.M. Frank

N.N. Semenov

N. G. Basov
(MEPhI graduate)

A. D. Sakharov

P. A. Cherenkov

MEPhI in 1953:

High energy physics

Nuclear physics & technology

Cyber security

WHAT IS MEPhI? NOWADAYS

INPhE

Institute of Nuclear
Physics and
Engineering

PhysBio

Institute of
Engineering
Physics for
Biomedicine

LaPlas

Institute for Laser
and Plasma
Technologies

NESPI

Institute of
Nanoengineering
in Electronics,
Spintronics
and Photonics

ICIS

Institute of
Cyber
Intelligence
Systems

Academic
staff

354

38

69

59

103

Engineering
personnel

412

14

46

72

89

Students and
postgraduates

2692

465

470

600

1550

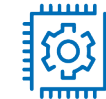

Faculty for Business
Informatics and
Integrated System
Management

Institute of
Financial and
Economic
Security

Institute of
International
Relations

Faculty for
Physics and
Technology

 **LaPlas**

Institute of Nanoengineering in Electronics, Spintronics and Photonics

Official website: nespi.mephi.ru

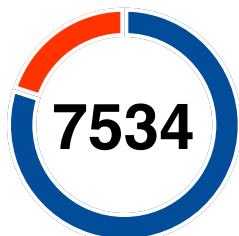

Official website: icis.mephi.ru

MEPhI as an international educational platform

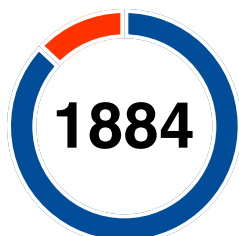

Students

1530 COUNTRIES
FOREIGN STUDENTS **57**

Faculties

245 COUNTRIES
FOREIGN STUFF **32**

Education
programs

44
FOREIGN
PROGRAMS

MEPhI Awards Degrees to
International Students, 21 Feb 2019

MEPhI as a CTBTO conferences platform

Moscow CTBTO Youth Group Conference:

-  CYG members discussions
-  Visit to National Data Centre in Dubna
-  Forum with CTBTO's GEM members

Moscow CTBTO Youth Group Conference

Deputy Foreign Minister of the Russian Federation S. Ryabkov, rector of MEPhI M. Strikhanov and the CTBTO Executive Secretary L. Zerbo, opening ceremony 18 Oct 2017, Moscow

CTBT Science Diplomacy Symposium

MEPhI students taking a part in 2SDS in Vienna, 21 May — 1 Jun 2018
